Dr. Aniruddha Bhattacharya

Vice Principal

G. D. GOENKA PUBLIC SCHOOL, DAKSHINESWAR

Message from Vice Principal

As the Vice Principal of the school, I feel privileged to be part of an Educational Institution where every stakeholder is a learner and every day is an opportunity to discover new things.

I believe in upholding high standards with an absolute commitment to strive to understand and improve the educational process, using team strategies, while wholly concentrating on student achievement. Measures initiated by the Respected Principal madam, Hon. Management and administration, the willing contribution of the teaching and non-teaching staff and over whelming response and enthusiastic participation of my dear students in the school activities in the recent past all vouch for this. When all the constituents come together and work in unison, the expected results are bound to flow.

With advancement of technology, man himself is becoming a machine. The reason behind this is that he is spending more time with machines rather than with human beings. Emotions, feelings, values and manners are disappearing day by day. In this context, teaching values in schools is a real challenge for the teachers. What we aim in our school is a noble value exhortation which formed the core of the ancient educational system that produced the great scientists, ruler and honest men and women.

I am happy to tell you that our G D Goenka Public School Dakshineswar has proceeded to achieve their motto. So, come on, lets us shape your dreams in this Institution a modern temple of learning through our diligence, devotion and dedication. Wishing you all the best...!

With best wishes and blessing for the upcoming session.

Mrs. Paromita Bagchi

SPORTS

At G. D. Goenka Public School, Dakshineswar Sports training is imparted to the students in order to inculcate in them a feeling of sportsman spirit, team spirit, self discipline and a spirit of general well-being.

Every student participates in a Sports Activity of his/her choice. A well defined syllabus for each sport of their choice, enables them to pursue with interest, the game of their liking.

A competitive spirit coupled with self discipline and sound health, form the motto of our Sports Activities. Inter class, Inter house and Inter school competitions are organized on regular basis to inculcate a healthy competitive spirit. Inter house championships help to generate camaraderie between students, a sense of competitiveness, brotherhood, discipline, positive attitude and very importantly, the fact that losing is as significant as winning.

Inter school events are powerful instruments of exposure for students at individual and team level in different stages.

Schooling at G. D. Goenka Public School Dakshineswar goes beyond the classrooms into the wider creative world outside. Apart from a keen focus on academics, various creative activities are taught that engage the mental and intellectual faculties of our students. Various festivals and celebrations take on new meanings as songs pertaining to a particular festival are taught and performed in special morning assemblies. While popular songs and melodies are taught to increase student interest, classical training in music is also imparted and it has been keenly observed that students respond very favorably to classical training. The life histories of famous musicians are discussed in the class and the students gain inspiration and encouragement from biographies of these renowned personalities. The students also regularly take part in several inter school events and have done the school proud by winning many of such events. Undoubtedly, the pursuit of such creative activities adds another meaningful dimension to school life.

MUSIC & DANCE

Periodic presentations and special assemblies to celebrate festivals showcase dance presentations on a particular theme. Students gain valuable knowledge through this process of creative learning and also become deeply sensitive to our rich traditions and heritage. Systematic training enables them to also delve into the choreographic process eventually dancing is truly refreshing way to fuse school schedules with creativity and a commitment to perfection.

ART & CRAFT

A work of art is above all an adventure of the mind
- **Eugene Lonesco**

Art is important for the development of individual and societies. Art enables individuals to imagine novel, productive, and fulfilling solutions to the challenges humanity faces. It is the art that touches our hearts and souls and turns the mundane into magnificent. Art makes the magic in our lives. If art is so essential to make the world a joy to live in, training for it must start with children. Art helps students to better understand the concepts taught in the school, and improves their memory. More importantly, they learn to reflect on the larger and broader issues that affect humanity, and make a connection with one another and with the nature. That connection is essential for building a better world. As we teach art to the students, we should remember to focus not on the output they produce in the form of pictures, photographs, skits, poems and crafts, instead, we should focus on how art is transforming them into better humans, it is through such process that noble souls arise and leave a legacy for us, as well as the future generations to rejoice.

Special assemblies
are also held to help spread
messages of
SOCIAL AWARENESS

SPECIAL ASSEMBLIES

Conducive atmosphere for our students to prove and showcase their talents - be that in Scholastic or co-Scholastic areas like dance, music, drama, sports or academics. The school assembly is a very unique platform where individuals and groups, class and House groups get to speak, sing, perform and receive accolades. Throughout the year, special assemblies are also planned to celebrate and commemorate festivals and events. We believe that school life is not just about doing well in class but also being helpful and mature socially and spiritually.

Special assemblies are also held to help spread messages of social awareness.

SCHOOL CLUB

All Goenkans are given lessons from the text book of life. The motivation for courage takes unique and extraordinary forms here. There is the courage of speaking the truth, of taking the road less travelled of defying odds. We strive to better equip our students to respond to the multi -dimensional challenges of life. A variety of clubs for our young Goenkans helps them to dabble in different streams, explore new avenues and identify their own future paths.

The clubs are functioning in the care of teachers who are subject experts, experienced and talented. Each group that is formed gets involved in interesting activities, amazing presentations and extensive innovations. Economics Society, Editorial Board, Graphics and Web Designs, Heritage Club, Public Speaking, Interact and Outreach Club, ECO Club, Science Club, AI & Robotics Club, Non-Fire Cooking Club, Visual & Performing Art Club are some of the clubs where students get to explore and enhance their talents and interests.

**EXPLORE NEW AVENUES
AND IDENTIFY THEIR
OWN FUTURE PATHS**

TRIPS & EXCURSION

At GDGPS, we strive for an expanding and challenging facet to our children's experiences in School. We hope that each day becomes a rich one, never boring and always impactful! The Word 'excursion' brings a smile of expectation and curiosity to each young scholar.

A Goenkan excursion calls for a redefinition of what a school activity is. While each excursion, academic or extra, must give an experience, each small piece of interaction must build into a larger mosaic of understanding.

Day trips to various places like the Nehru Children's Museum, Birla Planetarium, National Library, Indian Museum, Jorasanko Thakurbari, Science City, Victoria Memorial, Netaji Bhawan, Birla Mandir, Birla Industrial & Technological Museum, Calcutta Museum Society, Eco Park, Mother's wax Museum, James Princep Ghat, Alipur zoological garden, Belur Math, etc. and overnight excursions are also undertaken to places like Bolpur, Mukutmanipur, Dooars, Sundarban National Park, Hazarduari Palace, etc., inculcate the spirit and quest for adventure and camaraderie.
